Dear Ministry Partner,

***“Where is He who has been born King of the Jews?
For we have seen His star and have come to worship Him.” (Matthew 2:2)***

THEY DIDN'T KNOW THE KING WAS COMING!

The Wise Men saw the “star” rise in the east and traveled to the very people and place God’s Word told us the Messiah would come. It had been written about for hundreds of years! It wasn’t a secret...for God had given a sign in the heavens and those who were looking up and hoping for His arrival saw the announcement in the sky! And yet, King Herod and all of Jerusalem were completely unaware that the Savior of the world had arrived. ***“When Herod the king heard this, he was disturbed, and all Jerusalem with him.” (Matthew 2:3)***

John and Heather at the **National Religious Broadcasters** convention in Anaheim, California. What an exciting time to introduce the VOICE OF HOPE WORLD RADIO NETWORK.

ARE YOU PREPARED FOR THE RETURN OF THE KING?

Let’s not be disturbed He’s coming again! Let’s *prepare* for it. Let’s *look* for it! Let us be expectant! Our King Jesus is coming for a Church that is ready and expectant! His arrival will THRILL us to our core because we’ve been looking and yearning, laboring and preparing His church to receive their Savior!

Strategic Communications Group’s VOICE OF HOPE radio stations are vibrant tools communicating the Gospel message of Jesus’ Salvation to the world! Our daily broadcasts sharing God’s love and the message of Salvation through Jesus is indeed preparing the way of the Lord! This is the best news one can receive! I can tell you that we rejoice every time a VOICE OF HOPE listener is drawn by the Holy Spirit to follow Jesus. Our work, at the front lines of the battle for souls, is a work of the Holy Spirit as many are deciding to follow Jesus for the very first time.

Your commitment to pray for and financially support Strategic’s VOICE OF HOPE radio stations worldwide is important to the End-Time return of our Lord Jesus! *Thank you for responding so generously to our need in Israel last month.* God moved and we received what we needed. We depend upon the Lord to meet every need. Thank you!

BEHIND THE SCENES

- **VOICE OF HOPE – ISRAEL 1287 AM** has just celebrated its second year of broadcasting from the Galilee. All glory to God! This is an expensive radio station to operate but very effective in reaching into a population of over 40 million people in Israel, Syria, Jordan and Lebanon. Please continue to lift up our Gary Hull and his team of on-air ministers as they broadcast daily on the front lines of spiritual history in the Middle East!

Happy Birthday VOICE OF HOPE - ISRAEL! Celebrating our two-year anniversary broadcasting Jesus' love and Hope to the Middle East.

- **VOICE OF HOPE – AFRICA** is located just outside of the city limits of Lusaka, Zambia. We have just come through a heavy rainy season and the grass on our antenna field has grown very quickly over two feet tall. We are speaking with the neighboring farmer who will bring his cows over to mow our 120 acres the Africa way!
- **VOICE OF HOPE – AMERICAS (KVOH)** shortwave station, will be doubling its power and extending its reach into Cuba, Mexico, Central and South America. Our new rebuilt Harris transmitter is almost ready and expected to sign on the air this month! Trans World Radio's Chief Engineer and Director of Asia Broadcast Operations, Mike Sabin, will be stopping by KVOH to assist our engineers in the final frequency tuning. Thank you Trans World Radio!
- **DISCOVERIES IN PRAYER** heard weekly over our VOICE OF HOPE – AFRICA and VOICE OF HOPE - AMERICAS radio station has just completed its first year on the air! Heather Tayloe and co-host, Kathy Kositchek bring a dynamic conversation and teaching on prayer, calling our listeners to a deeper understanding and experience in prayer using scripture and testimonies. We believe that the power of prayer is vital to a growing Church worldwide.
- **PLEASE WELCOME THE CHRISTIAN RADIO AFRICA BROADCAST** hosted by Dr. Ajiboye over the VOICE OF HOPE – AFRICA. This three-hour broadcast on Friday, Saturday and twice on Sunday is called **CHRISTIAN RADIO AFRICA** and is targeting Dr. Ajiboye's native country of Nigeria. Right now, Nigeria is experiencing a very serious and aggressive move by Muslim extremists to take over this country. Nigerian Christians are being persecuted and killed for their faith and need hope and encouragement. Please pray for the impact of this broadcast to bring renewed Hope to the people of Nigeria. Please pray for the people of Nigeria.

A STRATEGIC GATHERING

This year, Strategic Communications Group – VOICE OF HOPE WORLD RADIO NETWORK joined the membership of the **NATIONAL RELIGIOUS BROADCASTERS (NRB)**.

Christian broadcasters from across America and around the world met this year in Anaheim, California under the moniker of **“Proclaiming Jesus To The World”**. What a blessing to be with like-minded fellow broadcasters committed to the Great Commission of Jesus!

Heather and I were honored, along with our senior leadership team, to present for the first time the **VOICE OF HOPE – 1287 AM ISRAEL** radio station that is effectively reaching the Middle East from the southern shore of the Sea of Galilee. A very powerful tool of the Gospel in a very strategic place! As a result, many new mission broadcasts will join the VOICE OF HOPE this month in reaching the Middle East, Africa and Latin America with the Gospel.

PRAYER NEED

Strategic Communications Group is dependent upon the Lord moving through His people to support and pray for our VOICE OF HOPE missionary radio stations. Every gift you give, no matter the size, supports our broadcast teams who share God's Word and Jesus salvation to the people of the Middle East, Africa and Latin America everyday...and day and night over the VOICE OF HOPE. You are effectively enabling the Gospel to be heard by millions worldwide.

If God is moving you to give this month, please do so. We have managed our budget with wisdom but we are very close each month and now putting off a few of our obligations until we have the funds. God always provides and we are so thankful to you for standing with us with your prayers and support as the Lord leads you. Thank you!

In His service,
