Dear Friends:

*“Do you not say, ‘There are still four months and then comes the harvest’? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest!” John 4:35*

## REAPING A HARVEST

Jesus said these words recorded in John 4:35 to His disciples, very near to where the VOICE OF HOPE radio station is located on the shore of the Sea of Galilee.

Jesus’ strong admonition to *“Go into all the world and preach the Gospel message”* helped readjust the early Church worldview and showed them the assignment ahead. To all the world... This salvation was for all who would hear, believe and follow Jesus.

To sow in God’s Field will always reap a harvest yet it comes with challenges. The shifting tides of the Middle East continue to rumble and shake daily. The entire region seems lit up and hotly charged by the unyielding tumult, striving, violence, injustice, war and misery. Yet it is still Harvest time...

The eyes of the world inevitably cast their gaze upon Israel. Though geographically she bears scarce significance to the size of most nations, her every action is watched, scrutinized and judged amidst the see-saw of dramatic events.

God’s Word is eternal. His promises made to His children will not go unmet. This is Strategic Communications Group’s mission as we communicate God’s Word over the airwaves by radio. The VOICE OF HOPE is Israel’s only Christian radio station and it is strategic and timely in this season.

Please pray for the outreach of  
VOICE OF HOPE radio in Israel  
during these strategic times.

John and Heather Tayloe with our beautiful VOICE OF HOPE On-Air ministers. Haneen and Nizar faithfully deliver the Gospel message in Arabic and English everyday by radio.

They love God's word and have produced many anointed daily broadcasts to encourage the Church of Israel and the Middle East as well as spirit-filled evangelistic programs to present the Gospel message to Muslims and other non-Christians living in the region.

## **RADIO WAVES SATURATE**

The VOICE OF HOPE pours out God's Word which crosses borders and leaps over fences and battle lines to reach the multitudes with Jesus' Salvation message. Thank you for standing with us in your prayers and support of this significant outreach. Thank you for believing in the power of transformation as more and more people begin to follow Jesus because they heard the Gospel message for the very first time.

The VOICE OF HOPE casts spiritual seeds of hope, answers and comfort to those who have never heard the Good News. God's Word goes out with power and spears the lies strangling the lost amidst the darkness of false religion, growing violence, and generational hatreds.

## **STAY IN THE FIGHT**

At times it may prove tempting to step out and take a "breather". The cost can be high to dare declare God's word in the airwaves, but it is so important. The enemy resists every advancement of the Gospel of light into darkness. To stay vigilant requires a deep and abiding trust in God, an accurate sense of spiritual urgency along with a tenacity to stay "in the ring" through continual prayer and support.

Thank you for lifting up our arms in our mission and calling. We are all-in for Jesus and I know you are as well.

In God's fields of ripe Harvest,

John and Heather Otis Tayloe  
Founders and President
