Dear Friends:

“Jesus said, I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.” - John 8:12

Light Overcomes Darkness!

I have just returned from Israel and working with our VOICE OF HOPE ministry on-air team. We are working to launch a series of new daily programs to encourage our listeners living under the harsh realities of ongoing war.

I must tell you the news has been difficult to watch this week as vivid images of Christians and moderate Muslims, women and children have been murdered by the Turkish backed *Islamic State* rebels now in full control of Syria.

Damascus is just 47 miles north of our VOICE OF HOPE radio station in Israel. Please pray as we minister peace and hope to those in such great need right now!

This horrific news of Christian persecution has sent a panic through the Church in Israel, Syria and Lebanon. The new *Islamic State* (Caliphate) is now moving with purpose to destroy Israel and Christians from the Middle East. **But God has different plans!** You see, the Church of Jesus Christ continues to grow, even in the midst of great persecution and fear. Jesus is Lord and the power of prayer and His Word of hope is overwhelming for those who hate the Living God.

Many nominal Christians are returning back to their faith and trusting Jesus with their life. I can report that across the Middle East there is an increase of testimonies of those experiencing great miracles, including healing and Salvation. Non-believers are coming to faith in Jesus like never before. Some through dreams and visions of Jesus.

VOICE OF HOPE - ISRAEL (1287 AM)

The **VOICE OF HOPE - Israel** is one of the most strategic radio stations in existence today. God moved upon Prime Minister Benjamin Netanyahu, who issued Strategic Communications Group a broadcast license and national radio frequency 1287 AM.

This was unprecedented and VOICE OF HOPE is the only Christian radio station broadcasting from Israel into a population of over 40-million people living in Israel, Syria, Lebanon and Jordan.

We are asking God to provide financial gifts or major grants at this time to sustain this important mission radio station. We need God's help to continue!

Radio is a vital tool of hope and encouragement to the local Church in the Middle East and a great tool of Salvation, Discipleship and bringing ongoing messages of Hope and Peace to the region.

We are so thankful to Israel and the Jewish people for allowing the VOICE OF HOPE to be established and to operate freely as we stand with and encourage Christians in Israel and the Middle East and build the Kingdom of God.

Even Muslim's who are disillusioned with the "death-cult" of Islam are right now receiving God's love and following Jesus for the very first time. As difficult and grave as the situation is, we are rejoicing for the transformation that is taking place right now as God has made a way of Hope for all who would believe and receive His son Jesus.

Would you invest into the Kingdom of God?

God's purpose is that.. *"None should perish.. but for all to come to repentance and follow Jesus"* (2 Peter 3:9b). Even now this opportunity is being extended to all the people of Israel, Syria, Jordan and Lebanon through VOICE OF HOPE radio.

Would you invest into the Kingdom of God? It's the right time to invest into the Gospel message. It's the right time to invest into discipleship of new Believers. It's the right time to encourage the Church, our brothers and sisters, living here in the Middle East. We love them all and we love you!

Would you help support the VOICE OF HOPE this month and pray for us? We sure do need your help!

Please go to voiceofhope.com and learn more about Israel's only Christian radio station reaching the Middle East. Please ask the Lord how you should help this month. We are so grateful and thankful for you in Jesus' name.

A Light Has Dawned!

Isaiah 9:2 is being fulfilled before our very eyes, *“The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned.”*

On the southern shore of the Sea of Galilee our VOICE OF HOPE radio station is sending the Gospel of our Lord Jesus into the airwaves day and night. It’s powerful 50,000-Watt transmitter is not limited by borders or religious affiliation or politics.

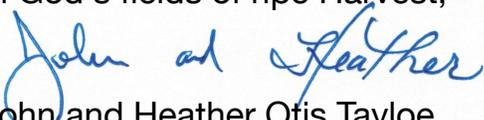

VOICE OF HOPE - ISRAEL. Broadcasting live from the shore of the Sea of Galilee

The VOICE OF HOPE radio crosses easily over barriers and across battle fields to reach those listening on their radio, cell phone app, web streaming or Social Media platforms, including Facebook Live. VOICE OF HOPE radio is making a difference at the most critical time in world history.

The VOICE OF HOPE is reaching the masses one person at a time, setting the “Captives” free and dispensing Hope through relationship with Christ Jesus and His Living Word. The VOICE OF HOPE is making a difference as a powerful and strategic tool of the Gospel in our time.

Thank you for your generous giving this month that allow the Gospel to be proclaimed from Israel with great strength! You are a blessing to the work of the Harvest. Thank you in Jesus’ powerful name. May the Lord bless you and your family.

In God’s fields of ripe Harvest,

John and Heather Otis Tayloe
Founders and President
